GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE AND INDUSTRY.

PRESS COMMUNIQUÉ.

Simla, the 5th October 1916.

The following Notice has been published by His Majesty's Government and is republished in India for general information :—*Begins.* The Secretary of State for Foreign affairs desires to bring to notice of all concerned that, with a view to preventing breaches of the Trading with the Enemy Acts and Proclamations and particularly the Trading with the Enemy (Extension of Powers) Act, 1915, all goods exported from the Countries marked "A" below, on and after 1st October next to the United Kingdom, Australia, Newfoundland, New Zealand, Union of South Africa, all Crown Colonies and Protectorates as well as India, must be accompanied by Certificates of Interest. These certificates will be issued by His Majesty's Consular Officers who will require documentary evidence that no enemy or person with whom trade is for the time being prohibited, *e.g.*, persons on the statutory list, has any interest in the goods :

"A"

Abyssinia, Argentina, Azores, Bolivia, Brazil, Canary Islands, Cape Verde Islands, Chile, Colombia, Costa Rica, Cuba, Danish West Indies, Dominican Republic, Ecuador, Greece, Guatemala, Honduras, Liberia, Madeira, Mexico, Morocco, Muscat, Netherlands East and West Indies, Nicaragua, Panama, Paraguay, Persia, Peru, Philippine Islands, Portuguese East and West Africa, San Salvador, Spain, Spanish West Africa, Uruguay and Venezuela.

In case of exports from countries marked "B" below where Certificates of Origin have hitherto been required, Certificates of Origin and interest will be required for goods exported on and after 1st October next on the same conditions except that the additional evidence required for "A" Certificates of Interest will have to be produced to the Consular Officers to whom applications are made for the issue of the combined certificates.

"B"

Norway, Sweden, Denmark, Holland and Switzerland.

In the case of these five countries goods for which Certificates of Origin are not at present required will not have to be accompanied by the new form of Certificate of Origin and Interest.

All goods exported on and after 10th October from the five countries marked "B" above for Canada must be accompanied by a Certificate of Origin and Interest.

In other cases certificates are not compulsory but many traders and particularly British ship-owners and masters will require, no doubt for their own protection against possible breaches of the trading with enemy acts, to be furnished with certificates for goods consigned to any destination whatsoever. His Majesty's Consular Officers accordingly have been instructed to furnish certificates in such circumstances on application.

The period of validity shown on Cetificates of Interest and Certificates of Origin and Interest will in no case exceed two months. It is required that shipment shall have been effected from the country of origin within the period of validity stated on the certificate and it is not necessary that the goods shall have arrived at their ultimate destination within that period. The onus of proving that the goods were shipped within the period required will, if necessary, rest in case of doubt with importer of the goods.—*Ends.*

Notifications under the Sea Customs Act legalising this procedure for India will issue shortly.
